MEMORANDUM FOR: Deputy Director for Administration

FROM : Daniel A. Childs, Jr.
Comptroller

SUBJECT : Report on SAFE Program

REFERENCE : DCI Guidance for Formulation of FY 1988-1992 NFIP,
Dated 6 May 1986*Encl.*

1. DCI guidance on the FY 1988-1992 program directs the Central Intelligence Agency to report to the Director of the Intelligence Community Staff on the status of the SAFE program. Specifically, the DCI directs:

"As implementation of the SAFE program progresses, improved information handling capabilities are being provided to CIA and DIA; however, the full set of SAFE system requirements is not expected to be completed by FY 1987. To ensure efficient and cost-effective planning for successful completion of the joint agency SAFE program, CIA, in conjunction with DIA, shall plan for: (1) the transition of CSPO to separate agency management structures; (2) the programming of sufficient resources to support SAFE system operations and maintenance; (3) the continued development of system functionality to meet unsatisfied SAFE user requirements; and (4) the sharing of future individually developed SAFE technologies." The DCI requests "a report describing planning and actions to accomplish the foregoing." [redacted]

2. Please forward the report to this Office by 15 July for submission to the IC Staff. Do not hesitate to contact my staff if we can be of assistance
